This Explore Minnesota Travel Planner has been customized for you based on the information you gave us. If you need any additional information or help planning your visit, please call and talk to one of our travel counselors. They have a variety of materials to offer including additional Travel Planners and publications to make travel planning easier. Just call 1-888-Tourism (868-7476) between 8am and 4:30pm

central time and a travel counselor can assist you.

At any time you can leave a message for a travel counselor who will respond to your request within 24 hours of the next business day. In addition, you can access seasonal and year-round pre-recorded information on events, birding, fishing, and fall color and winter trail conditions. You can also visit our website at [www.exploreminnesota.com](http://www.exploreminnesota.com). Welcome Centers (WC) and Affiliate WCs are located at key points throughout the state. The WC staff can provide directions, information on road and weather conditions, attractions and accommodations throughout the state, as well as maps and other brochures. Travel brochures are available at displays located at the north, east and west entrances to the Mall of America.
